PASUPULETI SREEDHAR

Frontend Developer — React Developer (Fresher)

sreedharroyals632@gmail.com — +91 6303828310 — Tadipatri, Andhra Pradesh
GitHub: github.com/codesiddhu

Professional Summary

Entry-level Frontend Developer with strong hands-on experience in building responsive and user-friendly web applications using HTML, CSS, JavaScript (ES6+), React.js, and Tailwind CSS. Skilled in developing reusable components, integrating REST APIs, and managing application state. Familiar with Git/GitHub version control and basic backend concepts. Actively seeking an entry-level Frontend or React Developer role.

Technical Skills

Frontend Technologies: HTML5, CSS3, JavaScript (ES6+), React.js
CSS Frameworks: Tailwind CSS, Bootstrap
Web Concepts: Responsive Web Design, Component-Based Architecture, State Management, CRUD Operations, REST API Integration
Databases (Basic): MySQL, MongoDB
Tools: Git, GitHub, VS Code, Browser Developer Tools, Debugging

Projects

Store Management System – React E-Commerce Application
React.js, Tailwind CSS, JavaScript

- Developed a responsive e-commerce web application using React.js and Tailwind CSS.
- Implemented product listing, cart management, and dynamic UI updates using state management.
- Built reusable and modular React components following best practices.
- Ensured mobile-first design and cross-browser compatibility.
- Managed source code using Git and GitHub.

Amazon Clone – Frontend Web Application
HTML5, CSS3, JavaScript

- Designed an Amazon-inspired UI with accurate layout structure and responsive design.
- Implemented navigation menus, product listings, search functionality, and cart interactions.
- Used JavaScript for DOM manipulation and interactive user experience.

Food Delivery Application – React Web App
React.js, Tailwind CSS, JavaScript

- Built a food delivery web application with a clean and mobile-first user interface.
- Developed reusable React components with basic routing and state handling.
- Styled the application using Tailwind CSS for consistent and scalable UI design.

Education

Master of Computer Applications (MCA)
Sri Venkateshwara Engineering College, Chittoor
Aug 2023 – Oct 2025
Bachelor of Computer Science
Sri Rama Krishna Degree College, Nandyal
Feb 2020 – May 2023

Certifications

JavaScript Fundamentals – GreatStack Learning (Online)

Achievements

- Solved 100+ coding problems on HackerRank (JavaScript, problem solving).
- Solved 100+ coding problems on LeetCode (DSA fundamentals).

Additional Information

Strong understanding of frontend best practices, clean code principles, and modern UI development. Quick learner with good communication and teamwork skills. Available for full-time entry-level Frontend or React Developer roles.
